

Web Design Services & Rates

Whether you need Flash®, E-commerce, database, DHTML, photography, cross-media marketing or just a straightforward web site, whether your audience is international or local, Advertel Web will find a solution to suit your needs and budget!

Silver Package - \$800

This is our starter package, ideal for an individual or small business needing a low-maintenance investment to jump-start their online presence. Package includes: 10 html pages, user-friendly interface, basic search engine optimization and a free contact form.

Gold Package - \$1500

Our most popular package, a medium sized website for companies who want to provide potential customers with an in-depth understanding of their operations and products. Included in this package: 20 html pages, customizable design, logo consultation and contact form.

Platinum Package - \$3000

This package is our most robust offering, targeted at businesses with database needs and/or interactive media. Package includes: 20 html pages, monthly SEO monitoring, and a custom E-commerce application.

All new site contracts include the following:

- Intuitive navigation
- Unique design
- Expert advice
- One domain registration and management
- One e-mail form
- Free use of stock photos
- Image retouching, animation and optimization as needed - up to twenty images
- Incidental graphic elements
- Initial design in five to seven days
- Up to four sets of revisions
