## Your Own Local FM Station!

*Deliver your advertising messages*

to a whole new audience with ADS-ON-FM®.  
Broadcast your advertisements over the local airwaves to:

- Local commuters and pedestrians
- Nearby sound systems
- Neighborhood businesses

Encourage passers-by with optional vinyl signage to "tune-in" to your local advertising radio station, anytime, within the local limits of our new low power ADS-ON-FM® transmitter.

FCC Part 15 compliant, ADS-ON-FM® uses a low power state-of-the-art digital FM transmitter, locked on to an available FM frequency in your area to broadcast your advertisements!
